General Information

Course Catalogue

Students can consult the most updated academic offer available **on our website.** Should they have specific questions regarding course content, they are advised to contact the Academic Coordinators of the faculty to which they have been nominated. Students can choose from **different degrees** but **not from different faculties**. They can only choose courses from the faculty they have been nominated.

Application Procedure

The application procedure consists of three steps, which will be communicated to students after the nomination deadline has passed.

The first step involves **creating a CEU email account** and setting up a profile on the university platform.

The second step requires students to complete a preliminary **course pre-selection** on the platform, while the third and final step concerns their **official course enrollment.** Please note that the process may vary depending on the campus the student is nominated in.
